## MARK 14

1. Is it easy for you to worship Jesus with the kind of passion that Mary showed? Why or why not? How can we follow Mary's example of making Jesus a priority by taking time to be with Him and honoring Him?
2. What is the value of honoring Jesus in public? How do we avoid doing so with the wrong motives?
3. What is the balance between practical, responsible stewardship and radical, extravagant giving? How do we avoid using the former as an excuse to escape the latter?
4. In what situations are you tempted to make excuses in order to avoid being identified as a Christian? Are there other situations where you tend to simply lie low and avoid the subject?
5. How were Judas' and Peter's sins similar? How were their responses different?
6. How did Peter's experiences on that night prepare him for his ministry? What experiences have you had that help you communicate grace and compassion to others?
